Purchasing beef from us is easy. Most of our customers prefer to purchase by the half side ("½ of a ½").

We haul the animal to the butcher for you. We use *Sorg's Meat Market* in Darien, WI.

When ordering you will specify your preference of cuts to the butcher.

You pay the butcher for the cutting charge.

You pay us \$3.75 a pound based on the hanging weight. *

The following is *only an example*
of what you might expect when ordering a "½ of a ½" beef.

We will explain the process and answer your questions anytime you call or write.

This chart is merely to give you an idea of the process.

It is not a specific amount you will pay.

\$ per lb	X 1/4 hanging wt	= money due Amazing Grace	+ cutting charge	= Equals total cost	Finished lbs	avg \$/lb
\$3.75	X	152 pounds	= \$570.00	+ \$90.00	= \$660.00	\$5.46

The weights vary from animal to animal. The example above is one of our larger beef.

**The cutting charge varies as well depending on the size of the animal
and the types of cuts and packing requirements you give to the butcher.**
